[place], [date]

Application for the launch of the doctoral examination process

Dear Professor Weber:

The research for my thesis

„[title of the doctoral thesis]“

carried out under the supervision of [academic title, first and last name] at the [name of institute and faculty] of the University of Freiburg from [date] to [date], is now concluded.

For this reason, I would like to submit my thesis and apply for the launch of the doctoral examination process in accordance with § 7 of the doctoral degree regulations as of January 28, 2016 (PO 2016).

In accordance with § 3 of PO 2016, I would like to propose as:

- First reviewer and examiner: [academic title, first and last name] [institute] [faculty] [university]
- Second reviewer and examiner: [academic title, first and last name] [institute] [faculty] [university]
- Further examiner(s): [academic title, first and last name] [institute] [faculty] [university]

Sincerely,

[signature]
